

MESSAGE TO THE CLASS OF 2019

As the Council of Emalahleni Local Municipality, we would like to take this opportunity and wish all our matriculants well as they write their final examinations for 2019. As you sit in your examinations, regard this opportunity as golden because there are children somewhere who have been denied this opportunity due to a variety of reasons.

We urge all of you to do your utmost best and may you achieve great marks which will open doors to the next level towards achieving your career aspirations. We call upon parents to support their children and give them encouragement during this testing moment.

Remember this is the last lap in a race which started long time ago. Now is the time to redirect all the energy and focus towards this noble cause.

We wish you all the best in your final exams.
